

INDIGENT CARE/CHARITY CARE

If you do not have insurance or underinsured to cover your hospital bill, and you have low income, you may qualify for help under Georgia's Indigent Care Trust Fund.

This hospital participates in the Georgia Indigent Care Trust Fund. Each year we receive special funding from the state of Georgia to assist qualified patients who are in need of medically necessary or emergent services. We will provide a certain amount of services to patients free or at a reduced charge.

Apply with Vickie Fordham, Financial Counselor 478-448-4063. You must fill out an application and provide proof of all household income. We will make a decision on whether you are eligible and provide you written notice of our decision.
